GOOD TO KNOW

We would like to remind everyone of the importance of registering your homeowner account and ensuring that your **email address** is on file with Sentry Management.

Registering your account and providing a valid email address allows you to receive important email blasts and community-wide communications, including:

- **Time-sensitive announcements**
- **Community events and updates**
- **Maintenance notifications**
- **Emergency or urgent notices**

Email communication is our primary and most efficient way to keep residents informed, and unregistered accounts may miss important information that affects the community.

If you have not yet registered your account or need to update your email address, please do so at your earliest convenience. Website:

NO FISHING IN PONDS

The ponds are stocked with bottom feeder fish to help maintain weed growth. Catch and release may cause injury to these vital fish. This could result in additional costs for the community.

Violators will be trespasssed

PET & SAFETY CORNER

As we spend more time outside:

- Please remember to leash pets and clean up after them.
- Watch for increased foot traffic, kids at play, and cyclists.
- Be mindful of open garages and driveways as activity increases.
- Please do not block sidewalks
